Rejuvenating Spa Treatments and Services

50 minutes: \$115
80 minutes: \$165

MASSAGE

Whether relaxing, de-stressing or relieving discomfort, good communication with your licensed therapist will benefit all of you! Choose from the following massages:

| | |
|------------|-------|
| 50 minutes | \$115 |
| 80 minutes | \$165 |

- **Swedish:** Relaxing massage increases circulation, tones muscles and increases range of motion.
- **Sports:** Restore mobility to injured muscles, therapeutic for deep tissue.
- **Reflexology:** Stimulates reflex points on feet which correspond to specific areas of the body.
- **Lomi Lomi:** Traditional Hawaiian massage uses light to deep kneading.
- **Shiatsu:** Japanese finger pressure works with pressure points and energy meridians.
- **Thai Massage:** Highly effective techniques release tension through stretching and gentle pressure.
- **Craniosacral:** Subtle, yet powerful, modality accesses body's innate intelligent rhythms.
- **Myofascial Release & Unwinding:** Gentle but profound techniques release restrictions through deep body layers.

- **Aromatherapy:** Add pure essential oils to treatment for specific desired results.
\$10.00 extra

Please feel free to ask your therapist to combine more than one modality into your massage.

Massages may be done either at the Paul Brown salon, at our state-of-the-art Fitness Center which offers steam and sauna facilities, at our oceanside pavilion, or in the comfort of your room.

In-Room Appointments:

Available Daily 9 am - 11 pm

Evening in-room appointments must be booked before 6 pm.

Please call (808) 880-3335 to book your appointment.

SPA BODY TREATMENTS

Choose one of these relaxing spa treatments, experiencing "sense-ations" that will bring you back for more!

| | |
|------------|-------|
| 50 minutes | \$130 |
| 80 minutes | \$180 |

- **Seaweed Wrap:** Mineral and enzyme-rich algae nourishes skin and metabolism.
- **Body Polish:** Exfoliating treatments use fine pumice and other natural ingredients to remove dry skin, soften and rehydrate sun and windburned skin.
- **Volcanic clay:** Detoxifying treatment pulls out impurities.
- **Hawaiian Salt and Aloe Glow:** Exfoliation frees surface skin cells and invigorates entire system.
- **Hot Rocks:** Warm lava stones are used to massage and deep-heat specific areas of a body in a unique spa treatment.

FACIAL TREATMENTS

After a thorough skin analysis, our facial will leave your skin deeply cleansed, glowing and asking for more! Good for sun or windburn!
